#### Thanksgiving Morimono

Instructor: Lauren Paul

Create a seasonal arrangement using Moribana slanting style techniques with the addition of small gourds, fruits and/or vegetables.

This style is perfect for display during the Thanksgiving holiday, and can be adapted for other seasons.

Use a large platter, tray or board for the base.

Fresh floral material will be provided for \$3 per person. **You must reserve by Monday, November 5.** Contact Lauren at the email above or by phone at 248-684-2460

#### Supplies to bring:

- ◆ **Line material:** 1-2 line material (curly willow, bittersweet, etc.)
- ◆ **Small assortment** of interesting, colorful fruits and/or vegetables, small gourds, nuts, etc. (Do not use an overwhelming amount of fruits/vegetables as done in a cornucopia arrangement.)
- ◆ **Cup kenzan** or hollowed out small gourd/pumpkin with a kenzan inside. Use anything deep enough to cover kenzan with water, about 2.5" to 3" in diameter. Empty cups (covered cans) are available.
- ◆ **Tray or board** (12" or more across) for display base
- ◆ Additional tools and supplies as listed for morning

**NOTE: When reserving materials, please specify morning or afternoon or both.**

**Guests may participate in the workshops for a \$10 lesson fee (plus materials fee) or may observe for \$2, payable at meeting.**
