### Morning Workshop 10:00 A.M.

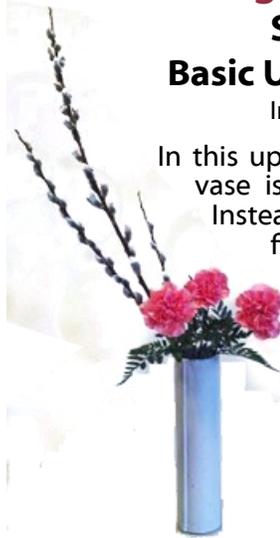

#### Sogetsu School

#### Basic Upright Style Nagiere

Instructor: Leslie Rosinski

In this upright style, a tall cylindrical-type vase is used but without any kenzan. Instead we will practice a method of fixing stems called *Soegi-dome*.

The optimal vase style is with straight sides but because the arrangement is not dependent upon the stability of the vase walls, a container with slightly curved top or shape may also be utilized.

#### You must provide your own plant materials:

**Line Materials:** 3 tree or shrub branches (flowering or not, leaves or bare)

**Flowers:** 3 flowers such as mums, carnations, lilies, etc. with leaves if possible to be used for filler

#### Supplies Needed:

- ◆ Tall cylindrical vase with thicker walls, if possible (no glass)
- ◆ Hasami (floral scissors)
- ◆ Small bowl for cutting flowers under water
- ◆ Plastic or newspaper to cover work area
- ◆ Towel for clean up
- ◆ Camera to record your finished arrangement

### Lunch Break 12:00 P.M.

### Afternoon Program 12:30 P.M.

#### Celebration Morimono Arrangement

Instructor: Leslie Rosinski

Morimono is a composition made by combining some flowers, plants, vegetables, fruits, leaves and so on, in a pleasing array. It is most often used for happy occasions and is perfect for holiday display. This arrangement may contain items that are dried or not normally used for ikebana.

#### Supplies Needed:

- ◆ Smaller scale flowers such as rose buds, mini carnations, mums, etc. (3 to 5)
- ◆ Filler: a few green leaves (e.g. fern, lemon leaf, eucalyptus, etc.)
- ◆ Cup Kenzan, if you have one. Otherwise bring a kenzan 2" to 3" (maximum diameter of the base) and a cup will be provided. Oasis will be provided if you don't have the right size kenzan.
- ◆ Large flat surface such as tray, platter, board, etc. for display base. Darker colors if possible, but not necessary.
- ◆ Hasami (floral scissors)
- ◆ Plastic or newspaper for work area
- ◆ Towel
- ◆ Camera

**Note:** Other items for this arrangement will be provided.

**Guests may participate in the workshops for a \$10 lesson fee (plus materials fee, if any) or may observe for \$2, payable at meeting.**
